

BIOLOGY ALUMNI PROFILE QUESTIONNAIRE

The Department of Biology at Hong Kong Baptist University would like to celebrate the achievements and successes of our alumni, which is where you can contribute and help inspire prospective and current students by telling us your story. You can make a difference to the career prospects of the next generation of graduates, by taking a few minutes and providing your alumni profile, through answering the questionnaire below as much or as little as you like.

Name (in English):	Name (in Chinese):	Gender:
--------------------	--------------------	---------

Email address:	Telephone number:
----------------	-------------------

Address:

Year of graduation:	Course studied (concentration):
---------------------	---------------------------------

Why did you decide to study in the Department of Biology at Hong Kong Baptist University?

--

What did you enjoy the most about your time in the department?

--

What was the best thing about the course?

--

How did your degree and your experience at HKBU aid your personal and professional development?

--

What is your current job title and what type of company/organisation do you work for now?
What are your main responsibilities within your current job role?
Were you a member of any clubs or societies? If yes, which ones? What did you enjoy about them?
What are your future plans?
What advice would you give to current students who are applying for jobs or planning their careers?
Any other comments
Would you be interested in acting as a mentor to recent graduates or final year students?

Thank you for taking the time to complete the questionnaire. Please email it along with a photograph of yourself to eywchu@hkbu.edu.hk. Your profile will be edited into its final version using the answers provided but will be subject to your approval prior to release/publication.
