
Bonnie, Yuen Wai HEUNG

Research assistant

Department of Biology, Hong Kong Baptist University,
Kowloon Tong, Kowloon.

Email: ywheung@hkbu.edu.hk

Supervisor: Prof. Jianwen QIU (HKBU)

Education

2019-2023 B. Sc., Applied Biology (Environmental Science), Faculty of Science, Hong Kong Baptist University

Research interests

- Marine Biodiversity and ecology
- Octocorallia
- Coral reef
- Phylogenetics

Conferences

Heung, B.Y.W., Li, Y.X., Loke, H.X., Williams, G.C., Kei, K., Lai, V.C.S., Chan, L.L., & Qiu, J.W. (2024). Biodiversity of Pennatuloida in Lantau, Hong Kong. *10th International Conference on Marine Pollution and Ecotoxicology*. 3-6 Jan, Hong Kong.

Loke, H.X., **Heung, B.Y.W.**, Hosie, A., Chan, T.Y., Wang, Z., Mendoza, J.C.E., & Qiu, J.W. (2024). Morphological comparison and molecular phylogeny of the porcelain crab (Anomura: Porcellanidae: Porcellanella) from the Central Indo-Pacific region: combined evidence to distinguish *P. triloba* and *P. picta*. *10th International Conference on Marine Pollution and Ecotoxicology*. 3-6 Jan, Hong Kong.
